

SMALL GADGETS & GOODIES

IMPACTFUL GIVEAWAYS FOR YOUR EVENTS

 MADE IN SWITZERLAND AND EUROPE 

DECEMBER 2025 EDITION

PLANNING FOR IMPACT IN 2026?

Anja Sutter

Founder of MICADO Gifting
+41 - 78 925 17 09

Welcome to our new lookbook – a curated collection of **small yet impactful give-aways and customizable goodies** designed to elevate any event: thoughtfully crafted items **made in Switzerland and across Europe**, where quality, sustainability, and individuality come together.

Whether for corporate events, trade shows, customer gatherings, or private celebrations, well-selected give-aways create **moments of appreciation** and add a meaningful touch to every occasion.

Our collection showcases how even the smallest details can become powerful gestures: **regionally produced, beautifully refined, and tailored to your message**. This lookbook is meant to inspire, spark ideas, and help you discover the products that will bring your brand and story to life.

Enjoy exploring!

Kind regards,

A handwritten signature in blue ink that reads "Anja".

- 5 Bookmark from colour range

Additional Extras:
Elastic band closure, fabric label, business card pocket, etc.

CARAN D'ACHE

Genève

CARAN D'ACHE COLORMAT-X NOTEBOOKS A5 made in Italy

The new Colormat-X notebooks are the latest addition to the Caran d'Ache family – an essential accessory to accompany the 849™ ballpoint pen and mechanical pencil. Like their older siblings, these notebooks boast bright and vibrant colours matching the eight Colormat-X 849™ models, while a black notebook completes the collection. The metallic finish adds a shiny, elegant touch to the clean, modern design of these notebooks. The range of colours allows everyone to match their Colormat-X 849™ with their notebook, creating a monochrome effect, or to combine different colours for a bolder style.

Details:

- A5 format: 210 x 148 mm
- Hardcover paper cover - 300 g/m2
- Metallic cold foil stamping
- Available in 9 colors: Black, Green, Turquoise, Blue, Violet, Pink, Red, Orange, Yellow
- Embossed Caran d'Ache logo on the back of the notebook
- 120 pages
- Stitched and glued cover opens flat to 180°
- White, lined paper
- FSC™-certified, acid-free paper - 90 g/m2
- Individually wrapped in foil
- Weight: 0.220 kg
- Origin: Swiss Brand, Made in Italy

Personalisation:

- possible with prints in White, black, gold, silver
- max printing size on front cover: 120 x 160 mm, on back cover 120 x 147 mm

Minimum Order Quantity: 50 units

Delivery time: 4 – 6 weeks after OK for production

[Ask for your individual offer](#)

Mishmash Notebooks stand for:

- **Sustainable production:** Made in Portugal with careful material sourcing.
- **Customizable & refillable:** Many Mishmash covers can be reused with different notebook “fills” (inserts).
- **High-quality paper:** Uses FSC-certified, ink-friendly paper for a great writing experience.
- **Distinctive design:** Soft, natural textures, exposed spine stitching, and subtle branding options (including logo debossing).
- **Versatile formats:** Different sizes (A5, travel notebook) and layouts (plain, dotted, ruled) to suit different needs.

[Ask for your individual offer](#)

A5 SOFTCOVER NOTEBOOK – Front & back cover fully customized:

- 100 sheets (80 g/m²), blank by default. FSC-certified paper
- 320 g/m² card cover is available in a range of colors
- Entire cover (front, back, and spine) can be customized (digital printed in full color)
- Color: gray (PMS color reference 444U)
- Size: A5 (21 x 14.60 x 1 cm)
- Weight: 258 grams
- Origin: Made in the UK.

Delivery time: 2-3 weeks after OK for production

Benefits of Burger Swiss Promotional Pens:

- **Swiss Quality & Precision:** Manufactured in Switzerland (St. Antoni), combining craftsmanship, design, and technical reliability.
- **Sustainability:** Use of recycled materials, long-lasting design, and replaceable large-capacity refills (up to 10,000 m) reduce waste and extend life.
- **Excellent Writing Performance:** High-quality “sensifloat®” refills deliver smooth, reliable writing over long distances.
- **Strong Branding Options:** Generous and high-quality print areas—clip, barrel, and cover—and various printing technologies (screen print, digital, laser) for logos and messages.
- **Design Variety:** Multiple models (e.g. Solo, Prisma, Delta) with different shapes, textures (soft-touch, crystal), and colour combinations.
- **Responsible Production:** Eco-friendly manufacturing with 100% renewable energy (hydropower), recycled plastic content, and efficient resource use.
- **Long-Lasting Promotional Impact:** Because the pens are durable and refillable, your brand message stays in circulation for a long time.

REFLECTIVE STICKERS

REFLECTIVE STICKERS

Reflective textile stickers are a breakthrough in the reflective market - we design any shape of a sticker, also in the shape of a logo. These stickers are a simple, inexpensive, uncomplicated but effective reflective and advertising gadget in one. A novelty is a special glue we use for textiles, which keeps the reflective sticker in place and makes it resistant to machine washing at 40 degrees Celsius. The reflectors meet a number of standards: EN 17353 standard, EN 13356 standard, EU Regulation 2016/425. Reflective textile stickers are Winner in the international prestigious competition The Promotional Gift Award 2023 in the Communicative Products category. This competition recognizes bold and creative concepts from manufacturers of advertising products.

REFLECTIVE BANDS

These are well-known and well-loved products, with a wide range of production and marking options. The reflective bands are ideal for evening walks. When darkness falls, the armband will make the pedestrian visible to drivers. Reflective slap bands can be worn on wrists or ankles. Reflective velcro bands work on the same principle, but with a different method of fixing. The reflectors meet a number of standards: EN 17353 standard, EN 13356 standard, EU Regulation 2016/425.

Composition:

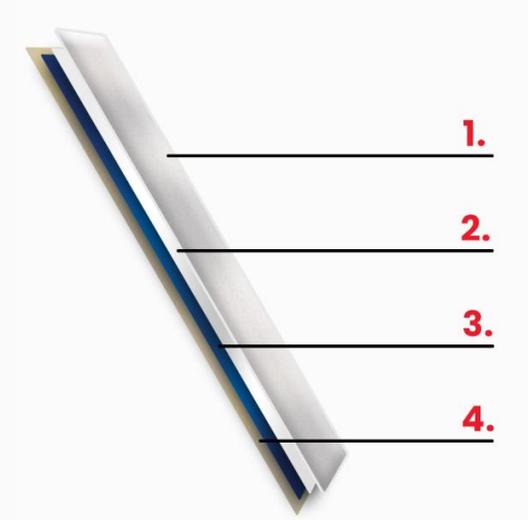

1. Reflective Certified Foil
2. PVC White Folprint
3. Self-locking steel

HYGIENE & CARE PRODUCTS

Hand sanitizer, lip balms, tissues, soaps

IMPACTFUL GIVE-AWAYS
MADE IN SWITZERLAND AND EUROPE

SMARTPHONE & WORKPLACE CLEANER

This cleaning spray gently removes dirt from smartphones, tablets, and all other surfaces in the workplace. It is ideal for quickly and easily cleaning mice, keyboards, phones, laptops, and tabletops. Use without water: simply spray, let it work briefly, and wipe with a cloth. The cleaner leaves a pleasant, fresh lemon scent and a matte sheen.

Origin: Made in Germany

Minimum Order Quantity:

- 20ml pocket spray: 100 units,
- 50 ml spray: 250 units
- 50 ml bumper: 250 units

Delivery time: 5-6 weeks after OK for production, express production possible for certain products (2-3 weeks delivery time)

Made in Germany

EU Cosmetics Regulation

Production according to GMP guidelines

Very well tolerated by the skin dermatologically tested

DISINFECTION GEL

The alcohol-based hand sanitiser gel has a broad spectrum of activity against bacteria, yeasts and viruses. It is suitable for hygienic hand disinfection in accordance with DIN EN 1500 with an application time of just 30 seconds. Thanks to its light gel consistency, the hand sanitiser can be dispensed very easily: on contact with the skin, it immediately becomes liquid and spreads easily. Special care components protect the skin even with frequent use and keep it supple.

Origin: Made in Germany

Minimum Order Quantity:

- 50ml bottle: 250 units,
- 50 ml bumper: 250 units
- 250 ml dispenser: 250 units

Delivery time: 5-6 weeks after OK for production, express production possible for certain products (2-3 weeks delivery time)

Also available: *Insect Spray and disinfection spray*

IT-SECURITY GADGETS

Webcam blockers, password encrypters

IMPACTFUL GIVE-AWAYS
MADE IN SWITZERLAND AND EUROPE

Design examples

How it works

Detach from carrier card

Detach Webcam Cover from carrier card – adheres without adhesive thanks to the microsuction effect.

Apply to camera

Simply attach it to the camera – no more chance for unwanted observers!

Reuse & clean

Can be removed from the substrate several times without leaving any residue, clean with water if soiled.

HIGH-QUALITY WEBCAM BLOCKER - SPECIAL STICKER:

PVC-free, it adheres to almost all smooth surfaces without any adhesive. It is reusable, leaves no residue and impresses with its ultra-thin design – ideal for notebooks, laptops, tablets and more.

- Protection against spying: Effective shielding against unnoticed webcam activations.
- Environmentally friendly: PVC-free and sustainable thanks to reusability.
- Easy to apply: Sticks without adhesive and can be removed without leaving any residue.
- Compact design: Also fits notebooks perfectly
- Carrier card 2-sided (4/4c) + one or more stickers + corn starch polybag (optional)
- Dimensions & weight: 85 x 55 mm / approx. 2.0 g
- Refinement of the stickers possible: Doming or vanish
- Origin: Made in Germany

Minimum Order Quantity: 100 units

Standard Delivery: 3-4 weeks after ok for production

Express Delivery: 12 working days after ok for production

PASSWORD TRAINER: YOUR TRANSLATOR AND TRAINER FOR CRYPTIC PASSWORDS

The perfect advertising medium on the topic of data security. The gadget invites the user to a playful exchange about data about data security and sensitises the user to a more conscious handling of passwords. Individualise the attractive advertising space of the Kryptonizer with your message! The user uses the Kryptonizer regularly for password entries and always carries it with them as a key ring.

- Translator & Trainer for cryptic passwords: Each Kryptonizer has individual crypto code
 - Folding carrier card 4-sided (4/4c) + Kryptonizer with indiv. crypto code + Polybag (optionally made of corn starch)
 - Dimensions & weight: 85 x 55 mm / approx. 6,0 g
- Origin: Made in Germany

Minimum Order Quantity: 250 units

Standard Delivery: 6-7 weeks after ok for production

Express Delivery: 20 working days after ok for production

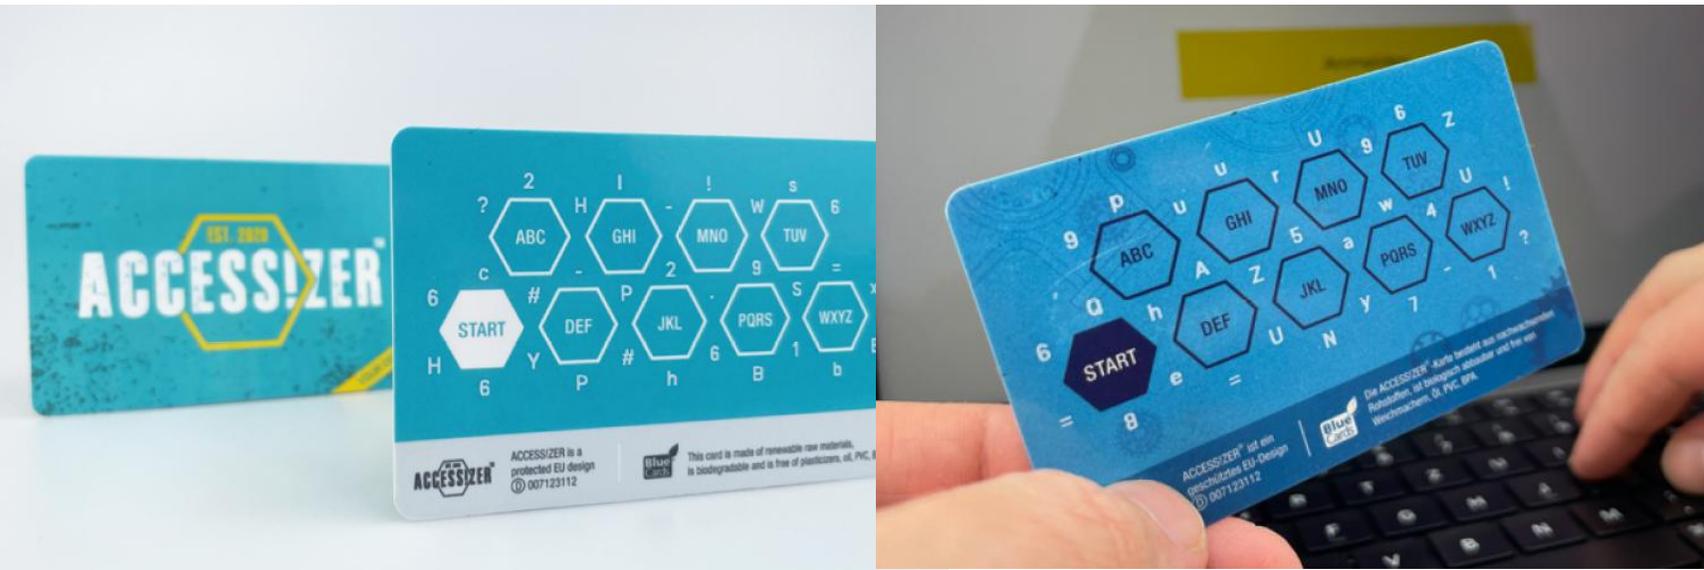

[Ask for your individual offer](#)

Design examples

PASSWORD ENCRYPTER

AWARENESS TOOL FOR IT-SECURITY AND PASSWORD PROTECTION IN EC FORMAT:

- Translator & Trainer for cryptic passwords in EC format
- PVC-free, no plasticisers, no oils, climate neutral
- Manufactured in own design
- Each card has individual crypto code
- Packed in cardboard packaging (FSC-mix) or polybag made of corn starch
- Card (4/4c) + neutral instructions + cardboard packaging or Polybag made of corn starch
- Dimensions & weight: 85 x 55 mm / aprox. 9,9 g
- Origin: Made in Germany

Minimum Order Quantity: 100 units

Standard Delivery: 6-7 weeks after ok for production

[Ask for your individual offer](#)

How it works

Think of a word

You should be able to remember it well. The longer, the more secure the resulting cryptic password. In the example on the left, "Maus".

Encrypt with your Accessizer

Translate each letter of your word individually using the alphabet printed on the Accessizer. Each letter can be translated into up to 6 characters to create passwords of maximum length.

Get password

For the character variety, you still add the characters of the start field and get your cryptic password.

SMART PHONE ACCESSORIES

Icebreaker games for smartphones, branded phone &
tablet cases

IMPACTFUL GIVE-AWAYS

[Ask for your individual offer](#)

How it works

Attach the protective film to your smartphone

The protective film supplied is attached to the back of your smartphone to prevent scratches. It can be removed without leaving any residue, is washable and reusable.

Click in the TORQ wheel

Then stick the TORQ control wheel in the center of the protective film. The control wheel can then be easily clicked apart and back together again for cleaning purposes.

Get started – it's your turn!

Now you can start playing right away. You'll quickly get the hang of it...

 **COFFEE BAG – GOOD TRADE**

This coffee impresses both in terms of flavour and ethics. The green coffee comes to Germany directly from carefully selected farmers via just one intermediary. This guarantees a transparent supply chain and the highest quality and social standards from cultivation to roasting. The coffee is gently roasted in Germany and freshly bottled regionally in a social therapy company - this guarantees a full flavour and a high level of social responsibility.

- Roastery: Kleinrösterei Dresdner Kaffee, Dresden
- Beans: 100% Arabica
- Origin: 100% pure, hand-picked and freshly ground freshly ground Arabica coffee.
- Flavour: Strong note with little acidity.

Origin: Made in Germany

Made in Germany

NUTS MIX DELUXE 30 g

Our deluxe nut mix contains our most popular nuts. There's something for everyone. Our special processing ensures a unique taste experience. We enhance the natural flavors and deliberately avoid overpowering spices. A treat for the discerning nut lover.

The mix includes almonds, cashews, walnuts, and pecans.
Made in Canton of Ticino

SWISS GOURMET POPCORN

Made in an artisanal factory full of dynamism and creativity, honoring the gourmet. Each ingredient is carefully selected, depending on the cultivation methods and the distance to the production site. We value quality labels, such as Organic, Demeter or IP-Suisse, and Swiss local products.

We also pay a lot of attention to the packaging - we particularly look at their ecological impact (place of production and possibility of reuse or recycling) and their effect on our health (composition).

Many different flavors available
Made in Canton of Vaud

MINI PACK 18-30G

Raspberry & Chia Seeds
Salted Caramel & Tonka Seed
Gruyère AOP & Black Pepper

MAMMUT TAISS LIGHT BEANIE

Functional, lightweight hat for mountain activities

The Taiss Light Beanie is a versatile functional hat that protects your head from getting cold during sweaty activities in the mountains. The material actively wicks away moisture and the light and elastic fabric is comfortable to wear. Thanks to the polyamide content, the lightweight beanie is still robust. Fits the Taiss Light Neck Gaiter and the Taiss Light jackets made from the same material.

- Helmet-compatible and lightweight functional beanie
- Light, comfortable and stretchy fabric
- Robust material thanks to polyamide content
- Active moisture transport prevents rapid cooling down
- Material: 52% Polyamid, 32% Polyester, 16% Elasthan
- Suitable for Mountaineering, ski touring, hiking
- Origin Swiss brand

Mammut red

ODLO MOVE LIGHT BEANIE

Made with high-performance thermal insulation, the Move Light hat is perfect for boosting your warmth out in the snow or out on the trail. Soft and light, the Move Light is made with Thermo Air fabric for fast-drying action and great next-to-skin comfort. It's the ideal beanie for cold weather and outside winter activities and its laser-cut ventilation area makes it extremely breathable, while its soft, flat seam stitching adds to its overall comfort factor. Keep cosy this winter with this high-performance, incredibly warm Move Light hat.

- Lightweight
- Fast Drying
- Enhanced Breathability
- Reflective details
- Material: 52% Polyamid, 32% Polyester, 16% Elasthan
- Color options white, black or dark sapphire
- Swiss brand
- According to its own information, 72% of the products are manufactured in Europe and the Middle East, mostly in its own production facilities (in Portugal and Romania), only 28% of the products are produced in Asia.
