THE NEW NOTEBOOK COLLECTION MISHMASH X PRODIR.

Designed by mishmash.

The mishmash x prodir collection was designed by mishmash, a Portuguese paper specialist, exclusively for Prodir. It comprises two models whose design, inherent value and functionality are aligned perfectly with our writing instruments.

Made in Portugal.

The notebooks are crafted in Porto using top-quality materials and the greatest of care. There is a venerable tradition of printing and paper processing here. Choosing to base production exclusively in Europe allows for sustainable and socially responsible supply chains and logistics operations.

Certified sustainability.

The notebooks are made by partners in the Porto region who have been certified to ISO 12647-2:2013. The high-quality notepads are FSC®-certified and free of chlorine and acids.
